

Pedal power adds to the anniversary fun

BEXHILL'S 110th anniversary of Motor Racing was enhanced by the arrival of a large turnout of participants from The Classic Cycle Group.

They came on vintage bicycles and in Edwardian attire despite the chilly and damp weather conditions on Sunday.

The Classic Cycle Group events co-ordinator Ray Konyon said: "We particularly enjoyed riding alongside the convoy of vintage cars in a haze of steam, petrol and burning oil with klaxons and horns sounding, in time for a welcome cup of coffee courtesy of The Cooden Beach Hotel."

Cycling back to the main event on East Parade on their ancient machines – some of which date back to the turn of the last century – they then enjoyed an Edwardian picnic while Bluebird was fired up in the background.
