

Eastbourne Cycling Festival 2/6/13. There were children's events, a mountain bike charity ride and a seafront road race at this many-faceted annual festival of cycling! See eastbournecyclingfestival.co.uk/

Intrepid members of The Bexhill Classic Cycle Group clad in vintage Edwardian attire picked their way

through traffic-laden roads on a variety of interesting early machines to attend the Eastbourne Cycle Festival alongside the Bespoke stand which brought a touch of colour and nostalgic smiles to many bemused lycra-clad onlookers. The unusual turnout included a vintage tricycle and three Penny Farthings, one dating back to 1885.

Ray Konyn, events organiser for The Classic Cycle Group, said "it was excellent to see such a well organised event attracting so many cyclists, and with particular emphasis on encouraging young riders". He added that anyone with a pre 1980 machine

is welcome to join them for events. Details at www.classiccyclegroup.co.uk

Photos: Thanks to the Classic Cycle Group and Mr. Rob James.
